*Il mondo dell'ufficio si addomestica sempre più. Tale influenza di armonie: calore, comfort, relax, privacy, relazione, ricrea scenari provenienti dall'habitat naturale dell'uomo: La Casa.*

*Estel ha intercettato questa tendenza da più di 10 anni con le acquisizioni di grandi e prestigiose botteghe artigiane: gli imbottiti di Frighetto, il Living di Estel Casa, gli accessori per l'ufficio di Arte&Cuio, le Sale Formazione - Riunione - Congressi di Deko.*

*Coffice Buffet per Caffetterie, Zone Bar, Self Service, Ristoranti e le Isole Lounge, Break, Video, Snack, Ergonomic, Shop e Compact In & Outdoor, integrano l'offerta anche nelle aree adibite alla pausa caffè e/o pranzo, sempre più presenti nei luoghi di lavoro. La migliore risposta al fenomeno sociale dello Smart Working anche chiamato lavoro flessibile.*

*The office world is becoming more domesticated and influenced by: warmth, comfort, color, relaxation, and privacy. It recreates scenarios from man's natural habitat: The Home.*

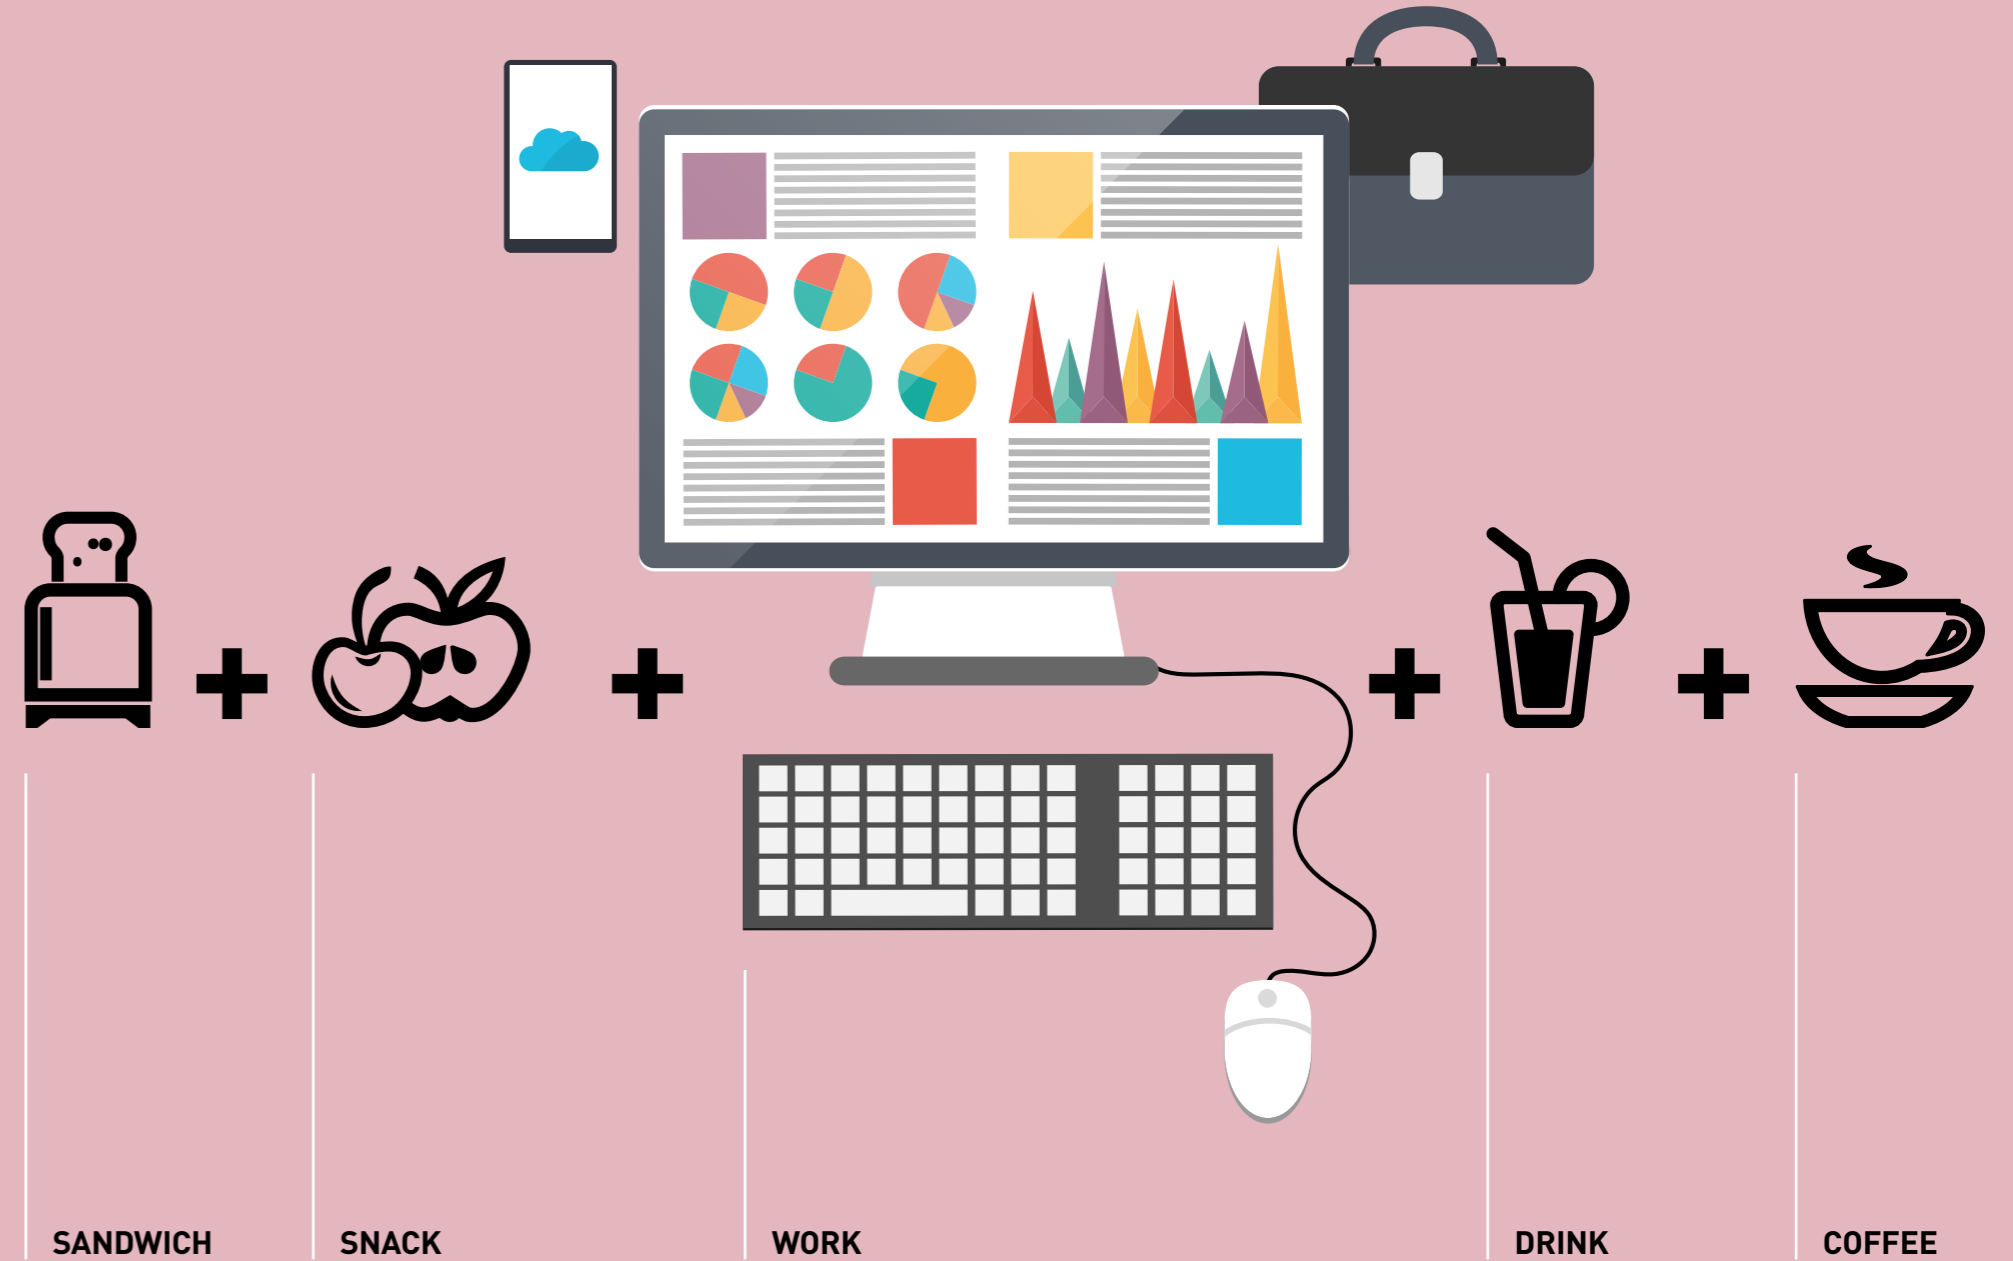

*ESTEL has been capturing this tendency for more than 10 years with its acquisition of great and prestigious Italian handicraft shops: padded seating by Frighetto, living-room furniture by Estel Casa, office accessories by Arte & Cuio, training - meeting - conference rooms by Deko.*

*Coffice Buffet for coffee shops, bar and self service areas, restaurants, and Lounge, Break, Video, Snack, Ergonomic, Shop e Compact In & Outdoor Islands integrate offerings in the areas dedicated to coffee breaks and/or lunch, which are becoming a stable presence in work areas.*

*The best answer to the Smart Working, or flexible schedule phenomenon.*

LUOGHI DELLE RELAZIONI / SHARING PLACES

***Buffet: caffetteria, bar, self service, ristorante,  
i luoghi delle relazioni***  
***Buffet: coffee shop, bar, self service, restaurant,  
sharing places.***

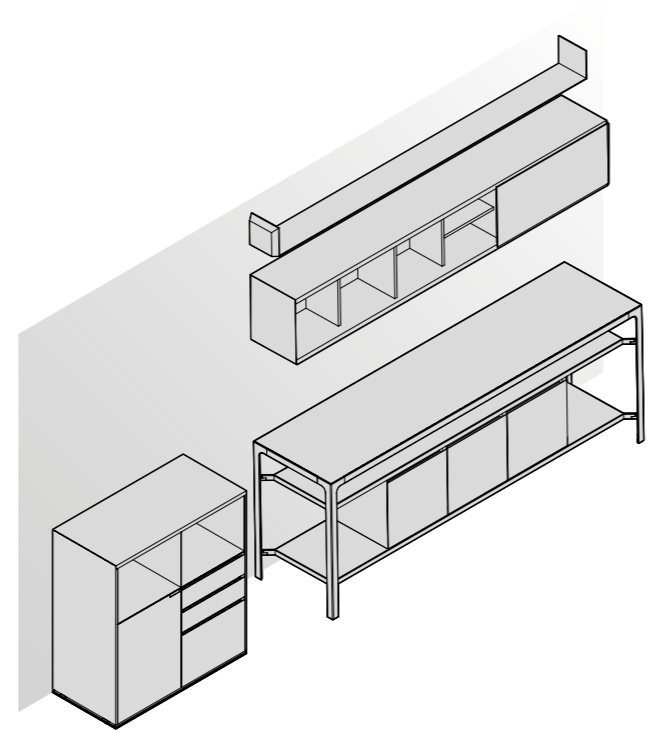

Il Buffet è formato da banco, pensili, mensole, colonne, contenitori utili per bar, caffetteria, self service e ristorante. È un banco che può essere liberamente attrezzato con basi contenitori, cestoni, cassette e basi tecniche per l'alloggiamento di vari elettrodomestici. Il piano di lavoro e appoggio prevede l'inserimento di lavelli, miscelatori, piani di cottura ad induzione, vetroceramica, ma anche multiprese a scomparsa, top access per essere

facilmente alimentati e connessi alla rete. Frigoriferi a cassetto, sottopiano, in colonna, forni combinati, lavastoviglie, erogatori d'acqua e macchine per il caffè sono inseribili nelle basi tecniche e nelle apposite colonne. Contenitori pensili, mensole a giorno consentono di realizzare dal più semplice al più complesso spazio ristoro.

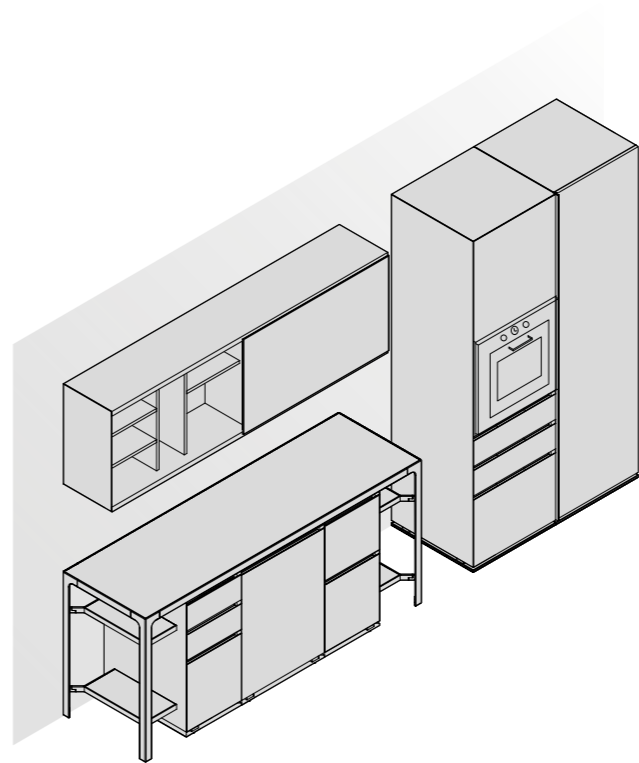

The Buffet includes desk, cabinets, shelves, columns and useful containers for break and self-service areas and restaurant. It is a counter that can be freely equipped with bases, chests, drawers and technical bases for storing a variety of appliances. The worktop and counter include dedicated slots for sinks, mixers, induction cookers, cooking hobs, as well as retractable multi-sockets and top access to be

easily fed and connected to the electric network. Drawer, under-the-counter and column refrigerators, combination ovens, dishwashers, water dispensers and coffee machines can be placed in the technical bases and in the dedicated columns. Hanging cabinets and open shelves allow setting up a variety of refreshment areas, from the simplest to the most complex.

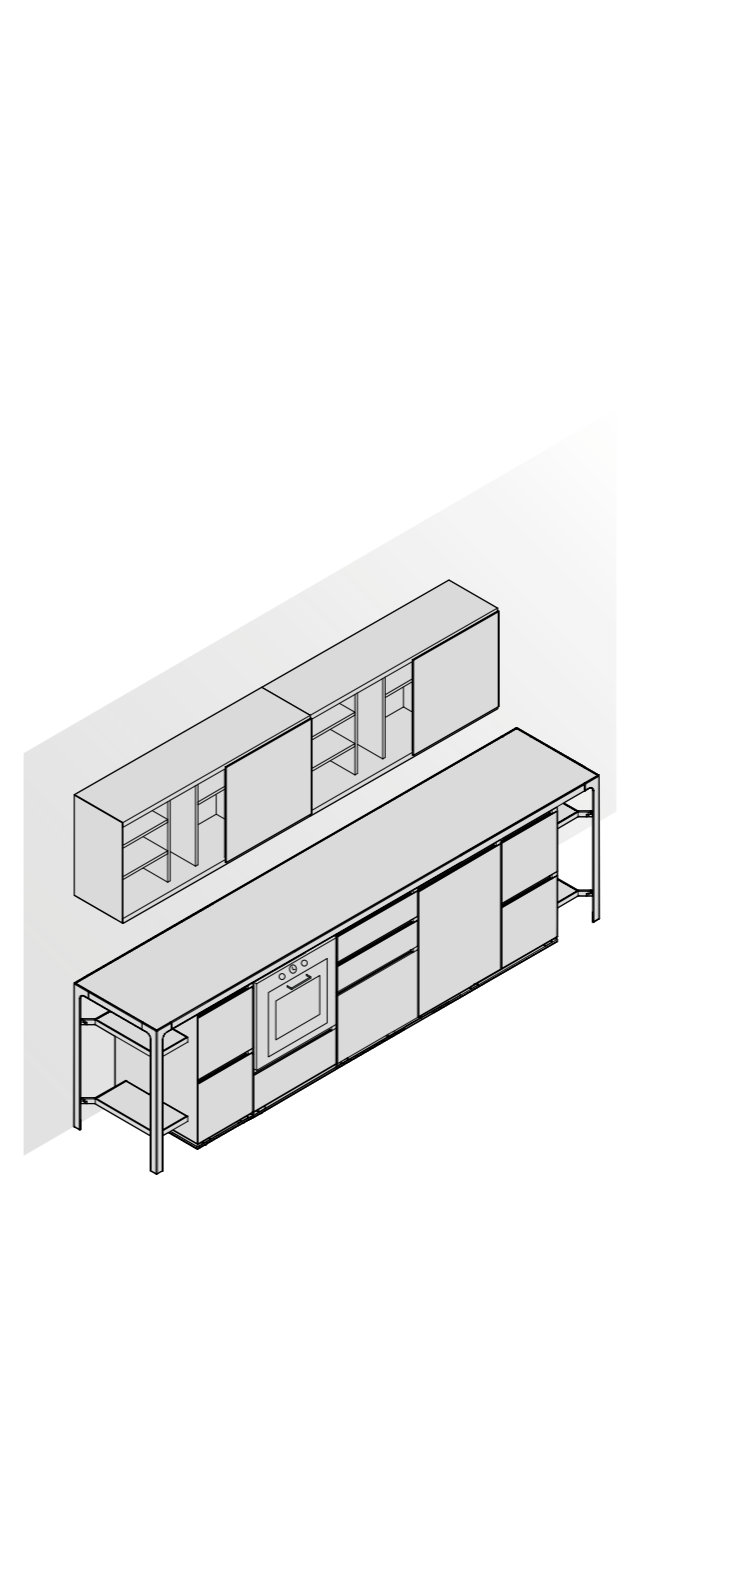

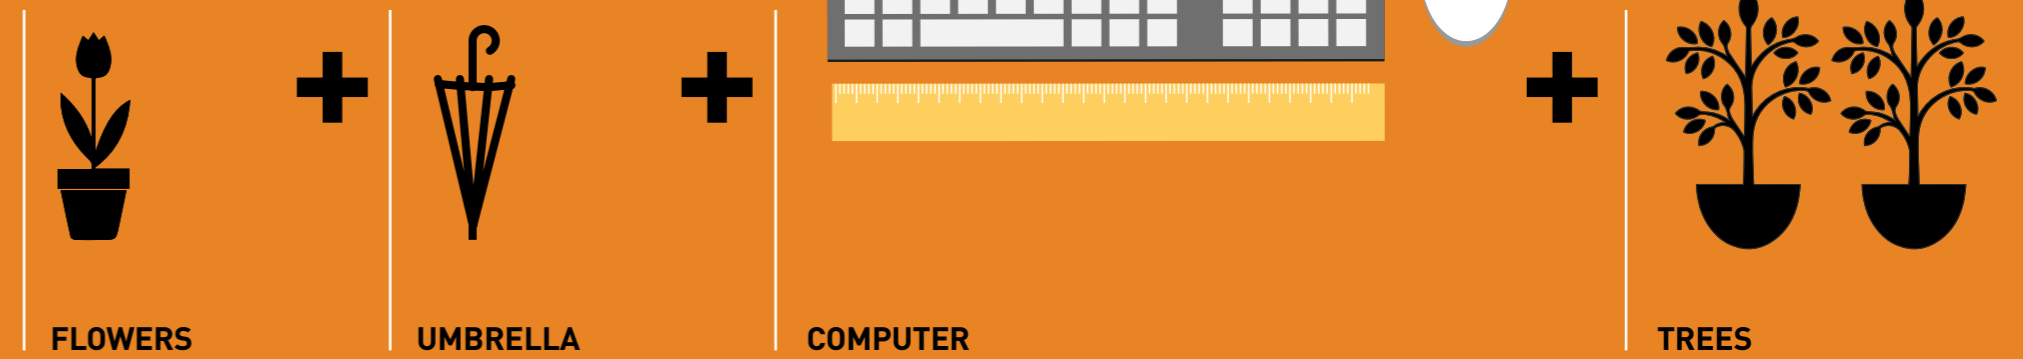

# Compact

IN & OUTDOOR

## ***Un unico blocco, due funzioni: tavolo & cucina*** *A single volume, two functions: table & kitchen*

Un monoblocco compatto che in poco spazio raccoglie tutte le funzioni di una vera "cucina" (195x70xH90).

Il piano lavoro scorrevole consente di accedere alla zona lavaggio e cottura, trasformandosi in un pratico bancone colazione.

Nella versione OUTDOOR vengono utilizzati materiali e finiture al contesto "en plein air".

### **Isola Compact Indoor**

Nella versione Indoor le basi possono essere in finitura Laccato Sablé o Essenza legno.

Il piano lavoro invascato in acciaio con inseriti lavello e mix abbattibile, e piani cottura a due o più fuochi, barbeque...

Nei contenitori base trovano alloggio forno, micro frigo a cassetto, ecobox, cassette o ripiani.

La struttura del bancone scorrevole è in metallo verniciato con il piano lavoro in ceramica.

### **Isola Compact Outdoor**

Nella versione Outdoor il monoblocco è totalmente in acciaio con finitura Verniciata o Corten.

Il piano lavoro invascato in acciaio con inseriti lavello e mix abbattibile, e piani cottura a due o più fuochi, barbeque...

La struttura del bancone scorrevole è in metallo verniciato con il piano lavoro in ceramica.

Non sono previsti elettrodomestici nei contenitori base.

It is a compact single block that fits in a limited area to function like a real kitchen (195x70xH90).

The sliding counter allows access to the washing and cooking area, also becoming a practical breakfast counter.

The OUTDOOR version features materials and finishes suitable for an "open air environment".

### **Isola Compact Indoor**

In the Indoor version, surfaces can be in Sablé lacquered or Veneer.

Sunk-in stainless steel sink and foldable mixer, cookers with one or two burners, and BBQ...

Compact oven, micro refrigerator drawer, eco-box, drawers or shelves are housed in the base containers.

The structure of the sliding countertop is in varnished metal with a ceramic top.

### **Isola Compact Outdoor**

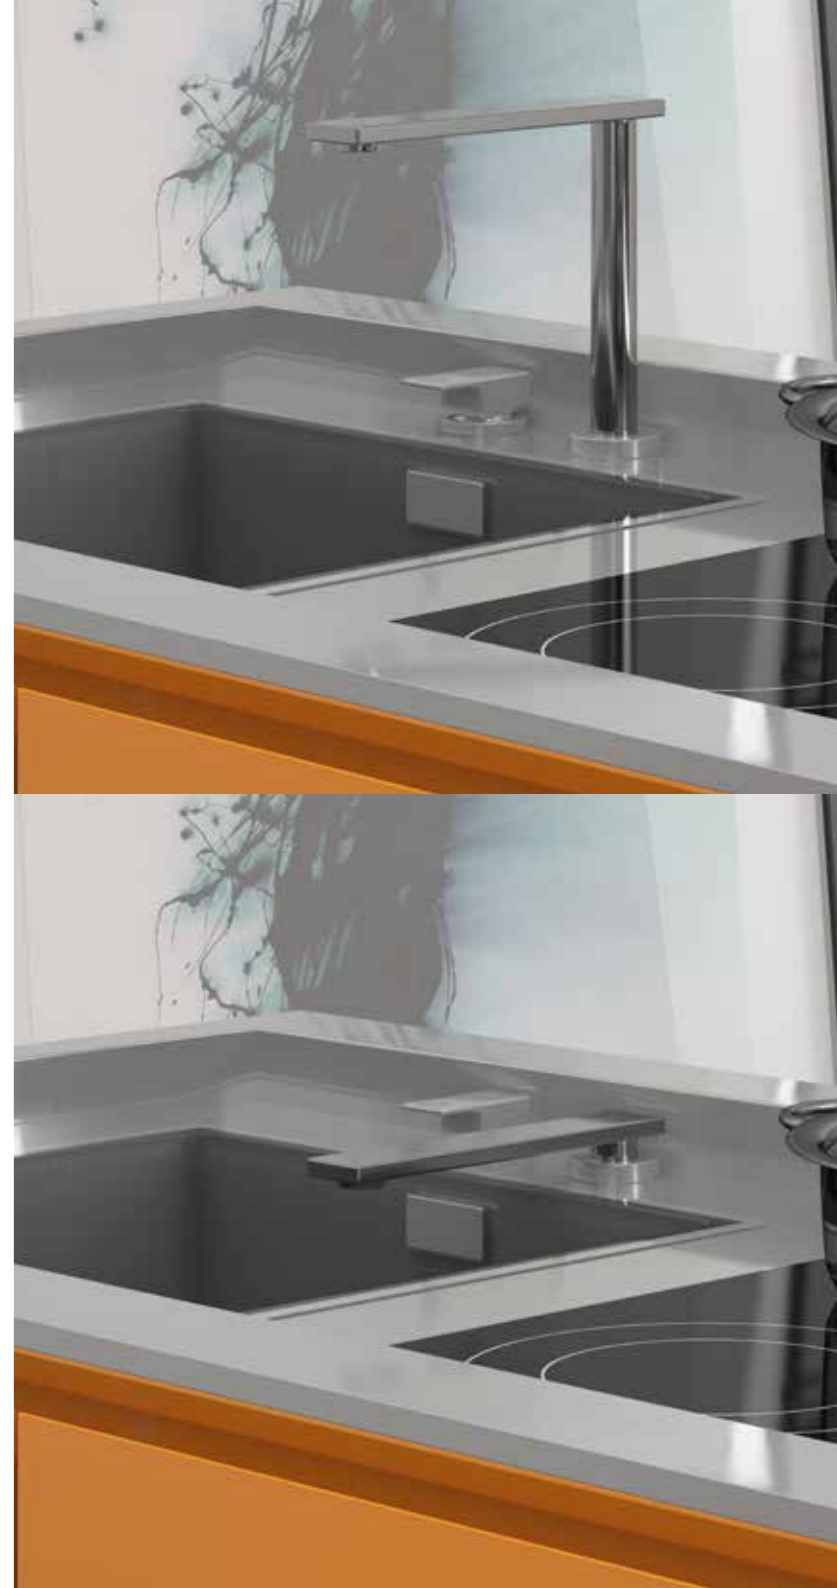

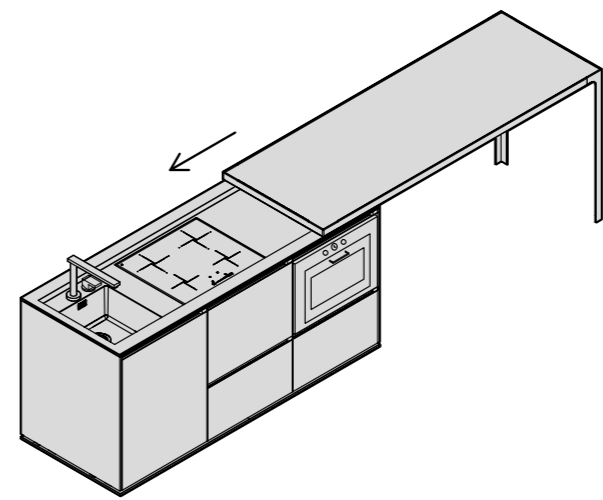

In the Outdoor version, the single block is 100% stainless steel with coated or Corten finish.

Sunk-in stainless steel sink and foldable mixer, cookers with one or two burners, and BBQ...

The structure of the sliding top is in varnished metal with a ceramic top. The base containers do not include housings for appliances.
