ESTEL

P016

Design by Estel R&D

P016, the new Estel array, features an iconic die-cast aluminium leg that supports operative and executive desks, available in a wide range of solutions: rectangular, elliptical, circular. Worktops are available in melamine, melamine on mdf, veneer, glass, ceramic. Legs are available in varnished or chromed finish. Tables can integrate numerous accessories, like top access, accessories bars, monitor arms, CPU holder, screen panels, cable holders, cable trays, whiteboards. The result is a series of elegant, light and multiform products, thanks to a design of international and contemporary style.
